Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Statement.

Material uncertainty related to going concern

Reference is invited to note 4 of the Statement. As per the standalone financial results, Company's accumulated losses are in excess of its paid-up capital and reserves as at 31st March 2021 and its current liabilities significantly greater than the current assets as on 31st March 2021 and 31st March 2020. Further, in respect of loans, there are non-payment of stipulated instalments comprising of principal and interest and instalments of Rs. 9,679.96 lakhs are due and unpaid as at 31st March 2021. In the opinion of the management, considering management's action to mitigate the impact of COVID-19 as described in note 6 of the Statement which is also demonstrated through positive earnings before interest, taxes and depreciation (EBITDA), restructuring which are approved by the lenders and management's request for seeking extension of the loan dues as stated in note 3(a) of the statement [also refer para (a) of emphasis of matter para below], the future business prospects from prime hotel properties situated nearby domestic and international airports in Mumbai, the fact that the fair values of the assets of the Company are significantly greater than the borrowings/debts and that the Company has been exploring possibilities to divest/liquidate some of its properties, these standalone financial results have been prepared on a going concern basis which contemplates realisation of assets and settlement of liabilities in the normal course of Company's business.

Chartered Accountants
Independent Auditor's Report on standalone financial results of Kamat Hotels (India) Limited pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

Our opinion is not modified in respect of the above matter. In respect of above matter, attention was also drawn by the us in our limited review report on the financial results for the quarter ended 31st December 2020, 30th September 2020, 30th June 2020, in the quarters of previous year and reports for the year ended 31st March 2020, 31st March 2019. Our conclusion / opinion was not modified in respect of above matter in quarters of current year and earlier quarters / years also.

Emphasis of matter

- (a) Attention is invited to note 3(a) of the Statement. As on 31st March 2021, there are non-payment of stipulated instalments comprising of principal and interest due to the lenders. The cumulative unpaid instalments amounts to Rs. 9,679.96 lakhs. Considering COVID-19 pandemic, the Company had sent signed letters by e-mails in the month of March 2020 and June 2020 to various lenders (except Kotak Bank) and had sent an e-mail in September 2020 to Kotak Bank for extension of the dues upto December 2020. In-principle approval was received in writing from one of the lenders for extension of three EMI's amounting to Rs. 143 lakhs each. In respect of further restructuring proposals submitted by the Company with certain lenders, in-principle approval was received in writing from two lenders and the Kotak Bank restructured the outstanding loan whereby it sanctioned Funded Interest Term Loan (FITL) and additional finance by way of Working Capital Term Loan (WCTL) of Rs. 360 lakhs under Emergency Credit Line Guarantee Scheme 2.0. The Company has executed necessary loan documents with Kotak Bank after the close of the financial year. In respect of three lenders, though written confirmation from lenders are awaited, all lenders have verbally agreed for the extension whenever sought. In the absence of written communication from the lenders approving the extension, we are unable to validate the extension granted to the Holding Company by the lenders. In view of the above, in the opinion of the management, event of default is not triggered and therefore, there is no other accounting implications and reclassification of non-current borrowings to current financial liabilities is not required. Impact if any, will be considered in the period in which the Company and the lenders agree on the revised terms. In continuation of the view taken in the earlier quarters, previous year and based on above, in the opinion of the management, no intimation is required to be given to the stock exchange for unpaid loan instalments as at 31st March 2021 as required by SEBI circular dated 21st November, 2019.
- (b) Reference is invited to note 6 of the Statement, in respect of the possible effect of uncertainties relating to COVID-19 pandemic on the Company's financial performance as assessed by the management.

Our opinion is not modified in respect of the above matters. In respect of above matters, we had also reported the emphasis of matter in our limited review report for the financial results for the quarter ended 31st December 2020, 30th September 2020, 30th June 2020 and report for the year ended 31st March 2020. Our conclusion / opinion was not modified in respect of above matter in quarters of current year and in quarter ended 31st March 2020.

Management's responsibility for the Statement

The Statement has been prepared on the basis of the annual standalone financial statements. The Company's Board of Directors are responsible for the preparation of the Statement that gives a true and fair view of the net profit and other comprehensive income and other financial information in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the

Regulations, 2015 (as amended)

preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibility for the audit of the Statement

Our responsibility is to express an opinion on the statement based on our audit of such annual standalone financial statements. Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient and appropriate audit evidence regarding the Statement of the Company to express an opinion on the Statement.

Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other matters

- (a) Due to COVID-19 outbreak and related lockdown in various states where the properties of the Company are located, we could not be present at such properties during the physical verification of inventories carried out by the management. We have relied on the same and performed alternate procedures to audit the existence of inventory as at year end.
- (b) The statement includes the results for the quarter ended 31st March 2021 being the derived figures between the audited figures in respect of the full financial year ended 31st March 2021 and the unaudited published year-to-date figures up to 31st December 2020, being the date of the end of the third quarter of the current financial year, which were subjected to a limited review.

Our opinion is not modified in respect of the above matters.

- In the previous year, Company's one hotel property in Orissa was affected due to 'Cyclone Fani'. Net block of assets destroyed was Rs. Nil. The Company had filed the insurance claim and received partial amount as advance in quarter ended 30th June, 2019 and 31st December, 2019. During the quarter ended 30th June, 2020, final approval and insurance claim was received. Accordingly, insurance claim of Rs. 373.17 lakhs was recognised as revenue in the quarter ended 30th June, 2020 and shown under "Exceptional item".
- The business has been severely impacted during the year on account of COVID-19. The Company expects recovery in business to be driven by domestic and international leisure and business travel as the normalcy restores. On account of above, the Company has carried out impairment assessment for the carrying value of property, plant & equipment, right of use asset, intangible assets, trade receivables, inventories and other assets based on the internal and external information upto the date of approval of these financial results including potential impact of COVID-19. Based on such assessment, in the opinion of management no further provision is required to be made as the Company expects to recover the carrying amounts of all the assets. Further, the Company have requested its lenders for extension of payment of dues in view of the challenges faced on account of COVID-19. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results and the Company will continue to monitor the future economic conditions and assess its impact on financial results. The statutory auditors have reported emphasis of matter in their report on the financial results for the year ended 31st March 2020. 30th September 2020, 30th June 2020 and report for the year ended 31st March, 2020.
- 7 Results for the quarter and year ended 31st March, 2021 are not comparable with the corresponding quarter and year ended results of the previous year due to the impact of COVID-19 pandemic, as explained in note 6 above.
- 8 There are no reportable segments under Ind AS-108 'Operating Segments' as the Company is operating only in the hospitality service segment, therefore, disclosures of segment wise information is not applicable.
- For the current financial year, the Company has opted for lower tax rate under Section 115BAA of the Income Tax Act, 1961. Current tax for the previous year ended 31st March, 2020 was provided as per old tax regime. Deferred tax asset has been created on losses incurred during the year, considering there is a deferred tax liability on net basis. Further, deferred tax for nine months ended 31st December, 2019 and year ended 31st March, 2020 includes credit of Rs. 349.94 lakhs on account of applying lower tax rate as per the new regime to which the company has migrated in the year 2020-21.
- During the previous year ended 31st March, 2020, an ARC (to which two banks and one financial institution had assigned the secured debts) had modified terms and conditions of the debt by providing the allocation between principal and interest payable w.e.f 1st April, 2019 vide their letter dated 29th January, 2020. Further, the effective interest rate (EIR) was recomputed based on the revised principal amount. The management is of the view that the de-recognition and the consequent write back of loan and re-computation of EIR had been done in accordance with the qualitative parameters permitted in Ind AS 109 'Financial Instruments' on the basis of opinion obtained from an expert and its ability to make prepayment of loan. Consequently, in the year ended 31st March, 2020, the Company had written back the principal amount of Rs. 2,369.28 lakhs outstanding as on 1st April, 2019 and accounted for additional interest of Rs. 1,052.67 lakhs pertaining to financial year 2019-20. In this respect, the statutory auditors had reported emphasis of matter in their report on the standalone financial results for the year ended 31st March, 2020. However, subsequent to the approval of audited accounts for the year ended 31st March, 2020, at the meeting of the Board of Directors held on 28th August, 2020, the Board decided to recover the excess remuneration amounting to Rs. 41.94 lakhs in view of ongoing business scenario and consequently the said amount had been written back in quarter ended 30th June, 2020. Out of the excess remuneration paid, Rs. 13.80 lakhs has been recovered before the date of approval of the standalone financial results for the year ended 31st March, 2021.

Independent Auditor's Report on the consolidated financial results of Kamat Hotels (India) Limited pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

Had the provision been made, borrowing cost and loss for the current year and previous year and negative net worth as at 31st March, 2021 would increase by the amount of interest for the period 1st October, 2013 to 31st March, 2021 which has not been provided nor quantified by the management in view of reasons as mentioned above.

In respect of above matter, qualification was also given in our report for the quarter ended 31st December 2020, 30th September 2020, 30th June 2020 and for the year 31st March, 2020, 31st March, 2019 and 31st March, 2018

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ('the Act'). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Group and its joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material uncertainty related to going concern

Attention is invited to note 5, 6(ii) and 7 of the Statement, which indicates that there, is material uncertainty related to continuity as going concern of the Holding Company, OHPPL (subsidiary company), MPPL (subsidiary company) respectively and note 8(i) related to material uncertainty related to going concern at Group level. In consolidated financial results, material uncertainty exists that may cast doubt on the Group's ability to continue as a going concern on account of accumulated losses, negative net worth and negative working capital in Holding Company and two subsidiaries as mentioned in those notes. For preparation of standalone financials results of Holding Company and two subsidiaries, going concern assumption is considered appropriate by the management as appropriate steps are being taken to mitigate the impact of accumulated losses, improve the cash flows, management's request for seeking extension of the loan dues where applicable [also refer para (b) in Emphasis of matter paragraph below], management's action to mitigate the impact of COVID-19 as described in note 11 of the Statement, fair value of the assets of Holding Company are significantly higher than the borrowing/debts and that the Holding Company is exploring possibilities to divest / liquidate some of its properties. In view of the above and in the opinion of management, the consolidated financial results have also been prepared on a going concern basis.

Our opinion is not modified in respect of above matter. In respect of above matter, attention was also drawn by us in our report for the quarter ended 31st December 2020, 30th September 2020, 30th June 2020 and year ended 31st March 2020, 31st March, 2019 and 31st March, 2018. Our conclusion / opinion was not modified in respect of above matter in earlier quarters / years also.

Emphasis of matter

- (a) Attention is invited to note 6(iii) of the Statement in respect of dispute over lease rent levied by Director of Sports, pertaining to the period from 1st November, 2014 to 31st March, 2021. The Company has accounted for the liability amounting to Rs. 1,535.79 lakhs; which is after making the part payment of Rs. 129.83 lakhs in quarter ended 30th September 2020. Further, during the previous year, the Hon'ble Bombay High Court had appointed sole arbitrator to resolve the disputes. Interest / penalty, if any, will be accounted in the period / year in which the dispute will be resolved.
- (b) Attention is invited to note 4(a) of the Statement. In respect of holding Company, as on 31st March 2021, there are non-payment of stipulated instalments comprising of principal and interest due to the lenders. Bank for extension of the dues upto December 2020. In-principle approval was received in writing from one of the lenders for extension of three EMI's amounting to Rs. 143 lakhs each. In respect of further restructuring proposals submitted by the Company with certain lenders, in-principle approval was received in writing from two lenders and the Kotak Bank restructured the outstanding loan whereby it sanctioned Funded Interest Term Loan (FITL) and additional finance by way of Working Capital Term Loan (WCTL) of Rs. 360 lakhs under Emergency Credit Line Guarantee Scheme 2.0. In respect of three lenders, though written confirmation from lenders are awaited, all lenders have verbally agreed for the extension whenever sought. In the absence of written communication from the lenders approving the extension, we are unable to validate the extension granted to the Holding Company by the lenders. In view of the above, in the opinion of the management, event of default is not triggered in any case and therefore, there is no other accounting implications and reclassification of non-current borrowings is not required. Impact if any, will be considered in the period in which the Company and the lenders agree on the revised terms.

In continuation of the view taken in earlier quarters, previous year and based on above, in the opinion of the management, no intimation is required to be given to the stock exchange for unpaid loan instalments as at 31st March 2021 as required by SEBI circular dated 21st November, 2019.

- (c) Attention is invited to note 6(v) of the Statement, that the subsidiary company (OHPPL), is in the process of appointing Company Secretary (key managerial personnel) as required by Section 203 of the Companies Act, 2013.

As per the terms agreed between the joint developer and the subsidiary company, the said amount would be utilised for obtaining / seeking the necessary approvals for the development of above-mentioned property. Further, as per confirmation received as at 31st March 2021 from the joint developer, no cost has been incurred against the above advance.

Our opinion is not modified in respect of above matters.

In respect of matter covered in (b) to (d) above, attention was also drawn by us in our report for the quarter ended 31st December 2020, 30th September 2020, 30th June 2020 and for year ended 31st March 2020. Our conclusion / opinion was not modified in respect of above matters in earlier quarters / years also.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

a. Details of Audit Qualification:

"With respect to one of the subsidiaries (Orchid Hotels Pune Private Limited) reference is invited to note 36.1(a) of notes to the consolidated financial statements (note 6(i) of the consolidated financial results). Vide agreement dated 24th December 2018, International Asset Reconstruction Company Private Limited (IARC) acquired the loan from M/s Asset Reconstruction Company India Limited (ARCIL) [lender to whom loan was assigned by ICICI Bank in earlier years] for an aggregate amount of Rs. 13,500.00 lakhs. As per the books of the company, total outstanding towards this loan is Rs. 18,833.99 lakhs (including interest liability accounted in books upto 30th September, 2013). The interest amount from 1st October, 2013 till 31st March, 2021 has not been provided in the books nor has the same been quantified. Non-provision of interest is not in compliance with the accounting treatment as prescribed under Ind AS 23 Borrowing Cost. As per the legal opinion obtained by the management, no further liability is required to be accounted now considering the terms of settlement arrangement and pending execution of the definitive agreement (the modalities of which are being worked out).

Had the provision been made, borrowing cost and loss for the current year and previous year and negative net worth as at 31st March, 2021 would increase by the amount of interest for the period 1st October, 2013 to 31st March, 2021 which has not been provided nor quantified by the management in view of reasons as mentioned above.

Further, qualified opinion was also given in our independent audit report for the financial year 2017-18, 2018-19 and 2019-20."

- Type of Audit Qualification: Qualified opinion/ Disclaimer of Opinion/ Adverse **Opinion**
- Frequency of Qualification: First time/ repetitive/ since how long continuing from last 3 years as per our reports.
- c. For Audit Qualification(s) where impact is quantified by the auditor, Management's views: Refer note II (e) (i) below.
- d. For Audit Qualification(s) where the impact is not quantified by the auditor: N. A.
- Management's estimation on the impact of audit qualification: i.

ARCIL reassigned the loan portfolio to IARC for an aggregate amount of Rs. 13,500 lakhs in earlier year. The said assignment was challenged by the subsidiary company before Hon'ble Bombay High Court. Based on communication and written assurances by IARC for amicable resolution with the subsidiary company, the petition was withdrawn. As per the legal opinion obtained by the subsidiary company and in accordance with the settlement arrangement between holding company, the subsidiary company and IARC, the liability shown in financial statement of the subsidiary company as well as loan to subsidiary and guarantees in the financial statement of the holding company (i.e. Guarantors) would get extinguished. Further, the holding company has agreed to transfer 100% equity shares of the subsidiary company to IARC for a consideration of Rs. 1/- and in turn thereof IARC shall release all the corporate and personal guarantees unconditionally. The other terms/conditions and obligation as agreed between the parties along with the extinguishment as mentioned above will be accounted when the definitive agreement is executed. IARC has replied to the subsidiary company, in principle agreeing to the terms of the settlement and also suggested that modalities for achieving this are being worked out. Accordingly, as per the management, no further liability is required to be accounted now.

If management is unable to estimate the impact, reasons for the same: N.A.
